SIGN LANGUAGE INTERPRETING IN EUROPE

How many interpreters are there in Estonia? What is the current working situation of sign language interpreters in Denmark?

If you would like to know more about sign language interpreters across Europe, the “Comprehensive Guide to Sign Language Interpreting in Europe” (2012 edition) must find a space in your book shelves. This publication, written and published by Maya de Wit, Dutch SL interpreter and former president of efsli, gives an overview of the organizations, training programmes, registries, sign language recognition, and the employment situation of Sign Language interpreters in 40 European countries and regions.

For further info and orders, please contact the author: maya@tolkngt.nl

For each sold publication 10% of the proceeds will be donated to efsli.

“efsli is a forum where good practice and expertise are shared between all stakeholders in the field of sign language interpreting”
