NEWS

DEAF INTERPRETERS MOVING FORWARD

Rome, 14th February

Marinella Salami, efsli president, presented a paper on Deaf Interpreters together with two Deaf colleagues, Chiara Di Monte and Tiziana Gulli who both took part in the efsli Deaf interpreters seminar in Vienna and in the efsli Autumn school in London last year. The seminar was chaired by Marcello Cardarelli, ANIOS president. The seminar room was crowded with participants, mostly interpreters and Deaf researchers. Also Humberto

Insolera, member of the EUD Board, was present. Topics like the professional profile of Deaf interpreters, training and Deaf and hearing interpreters working together in a team were tackled with examples and references.

efsli is committed in supporting the training and the employment of Deaf interpreters across Europe.

efsli is planning to organise a second seminar for Deaf interpreters on the occasion of the efsli conference in Ljubljana in September. Further information coming out soon.
