10 good reasons to become an efsli Board member!

1. You might not change the world but you can contribute to positive changes and help improve the profession all across Europe.
2. efsli needs fresh ideas. It’s not good for any association to have the same board for too long. New faces are always welcome!
3. It is a great way to meet colleagues and stakeholders from different countries, learn new languages and cultures!
4. It is an exciting way to challenge yourself and to progress our higher goals.
5. To serve on the efsli Board is about duties, responsibilities and decision-making. It will help you build positive relationships and develop your skills.
6. You will enrich yourself as an individual and you will learn to see the world from different perspectives!
7. It is rewarding to see your ideas become real.
8. Being an efsli Board member has a positive influence on your national sign language interpreter association and community.
9. efsli Board meetings are a kind of continuing education courses: sweat and hard work. But off hours are fun :-)
10. It is not all a bed of roses, of course! A “zen approach” is needed, sometimes... ;-)
